Driving directions:

From Oudtshoorn travel towards De Rust along the N12. Drive 20km. You will see Dysseisdorp on your right. Drive just past the Dysseisdorp turnoff. On the left you will see the Vergelegen turnoff. Turn left into the Vergelegen Road. Go over the little railway bridge and you are now on a gravel road. Don't drive more than 2km on the gravel road otherwise you have missed us. Drive past some old farmhouses and cow sheds on the right hand side. You should now see our large sign at the entrance on the right. The main farmhouse, where you need to check in, is just past the cottages, below on your right. That's right - you've found us! Welcome!
